INDEX
to the
DEFIANCE COUNTY
PROBATE COURT
RECORDS

1845 - JUNE 1995
Book Two L - Z

We would like to recognize the Defiance County Probate Judges and Clerks from the past to the present for compiling the index to the Probate Records.

The index and records are now in the Defiance County Records Center and most of them are open to the public.

The index to the Probate Records was copied and alphabetized by Joyce Jones in 1995.

The Defiance County Chapter of the Ohio Genealogical Society has been granted permission to print and publish the index to the Probate Records.

These are a few additions and corrections to the Probate index
